4 The Landship which will be caused to the Landlords by reason of the main lease of the land & selling the same was considered in the first instance alone. (vide para 27 of the note in Pg 26 40 of 1926 papers). It was therefore suggested by the Hy Jr that the alternative of allowing a lease of the lands for as long a period as may be asked for by the lessee & on as favourable terms as may be necessary was suggested

5 The A.C. Chingleput said [illegible] that it was not possible to secure any one who would take up the lands on lease & the only alternative open was to sell the lands thereby the main income & placing the sum of Rs 1000 or more at interest thereon in Savings Bank or to yield an income of Rs 50 a year. The Hy Jr was not in favour of extinction of main income & recommended in his letter No 1807 & 1576/29 that the Hadin tenancy of the lands might be sold & the realisation thereof invested in favour of the Landlords in addition to the assessment derived by the Landlords from the Hadin tenant.

6 The delay was not in favour of the letter proposal as it might not meet with local support. & thought that [illegible]

9 On general grounds, it is not desirable to create new Kadim tenancies - And I do not think this proposal need be considered again

10 The alternative to change the general revenues with a cash grant equal to the fair amount of 77-10 does not appear also very reasonable, as it is evident from the facts brought to

1) There are two courses open

(1) The Inams may be surrendered by the Govt. and lands of equal assessment in suitable localities may be endowed to the temple on the existing terms.

(2) The lands in question S. 37 & 38 may be sold after cancellation of the Inam tenure and the proceeds handed over to Govt., in return for which a cash grant at 5% interest may be sanctioned permanently to the temple. As regards the first alternative, the Revenue Rules may be consulted.

To

Highness the Maharaja of Mysore,

SIR,

With reference to Government Order No.13C-13, Muz.40-26-9 dated 12th/22nd July 1929 directing that Inam S.Nos.37 and 38 of Hosur --- village, endowed to the Sri Narasimhadevaru temple at Kohalli in the Kumsi Sub Taluk, be sold after the cancellation of the Inam tenure and that the proceeds thereof be invested for the benefit of the institution, I have the honor to state that at present Government is now getting the full assessment from these Inam lands. Only a part of Rs.0-11-0 is now being paid to Government, the Jari being intended for the benefit of the institution. By resuming the land to Government and cancelling the Inam tenure the whole of the assessment goes to Government and the institution stands to lose to the extent of the Jari amount. I therefore beg to recommend that a cash grant equal to the Jari amount of Rs.77-10-0 may be granted to the institution out of the General revenue as the benefit thereof accrues to it or as already recommended, the disposal of the Inam tenancy of the lands may be sanctioned, allowing the temple to have the benefit of its Inam tenure of the land. I request the sympathetic consideration of Government in the matter, as my proposal is in accordance with the liberal policy adopted by Government in the case of religious institutions that Government take the position of the trustees in regard to the endowments granted to them and that there is

an obligation to see that the institutions derive full benefit --- therefrom.

The connected records are enclosed herewith for reference and kind return.

I have the honor to be,

Sir,

Your most obedient servant,

Mukhtar Singh
